

**U. S. COAST GUARD  
CPOA (37<sup>TH</sup>)  
CPOAA (27<sup>TH</sup>)  
CGEA (6<sup>TH</sup>)  
ANNUAL NATIONAL CONVENTION**

**ST. LOUIS, MO  
SEPTEMBER 2005**

## Welcome to St. Louis!

to all CPOA, CPOAA and CGEA members, spouses and guests.

This is my first year as the National Convention Committee Chairman. I hope I have learned everything I needed to from my illustrious predecessor, Dick Wells. I figure that if anything goes wrong, it's STILL his fault.

St. Louis is a beautiful city and has many things to offer you in the way of off-time entertainment. Check out the pamphlet rack near the front desk.

Please take mental notes of things during the week, then please fill out the End of Convention Questionnaire on Friday. It is from these that we are able to make subsequent conventions better. i.e.: it is from previous questionnaires that we changed the convention to September.

I hope you enjoy this Convention and many more beyond.

Joe D'Elia  
National Convention Chairman

---

### USCG CPOA PREAMBLE

Ever mindful of:

- the traditions, duties and purpose of the United States Coast Guard,
- our duty to uphold and defend the Constitution of the United States of America,
- our responsibility to assist and save distressed seamen and others,
- our responsibility in the enforcement of the laws of our Country, and

Believing that through association and mutual acquaintance, the Chief Petty Officers of the United States Coast Guard may:

- best advance their professional abilities,
- enhance their value, loyalty and devotion to God, Country and service in which they serve,
- promote its unity and morale domestically and militarily through responsible leadership,

in respect for those who have gone before us, and as a guide for those who follow.

# ***Welcome***

***St. Louis, MO***  
***September 12-16, 2005***

## Deputy Secretary: Michael P. Jackson

On March 10, 2005, Michael P. Jackson was confirmed by the U.S. Senate to serve as Deputy Secretary of the U.S. Department of Homeland Security (DHS). In this role, Mr. Jackson serves as DHS' chief operating officer, with responsibility for managing day-to-day operations.

Recently, Mr. Jackson served as Senior Vice President of AECOM Technology Corporation, where he was responsible for AECOM government relations globally and served as Chief Operating Officer of AECOM's Government Services Group.

Mr. Jackson served as Deputy Secretary of the U.S. Department of Transportation (DOT) from May 2001 to August 2003. As Deputy Secretary, Mr. Jackson was the Department's chief operating officer, with responsibility for day-to-day operations of an organization that, following the terrorist attacks of 9/11/01, grew to a \$68 billion annual budget supporting over 179,000 employees.

His tenure was particularly focused on DOT's response to the terrorist attacks, including standing up the new Transportation Security Administration and management of recovery efforts for the nation's aviation industry. At DOT, Mr. Jackson's external duties included substantial policy coordination within the Administration, frequent Congressional consultation and testimony, and work with foreign governments, transportation businesses, interest groups and the media. He served as a member of the Board of Directors of Amtrak and was chairman of its Audit Committee.

In 2004, Mr. Jackson was appointed to serve on the President's Commission on Implementation of United States Space Exploration Policy, which provided management recommendations to the President on NASA and its future mission management.

Mr. Jackson also held positions working for two earlier Presidents. In the Administration of President George H. W. Bush, he served at the White House as Special Assistant to the President for Cabinet Liaison and later as Chief of Staff to the Secretary of Transportation. He held several positions reporting to the Secretary of Education in the Administration of President Reagan.

Before returning to DOT in 2001, Mr. Jackson worked in the private sector as Chief Operating Officer at Lockheed Martin IMS's Transportation Systems and Services. IMS's transportation group provided high technology services to toll authorities, freight companies and 35 state governments. From 1993 until 1997, Mr. Jackson was Senior Vice President at the American Trucking Associations, where he managed intermodal, international and technology policy matters.

He has been a researcher at the American Enterprise Institute and taught political science at the University of Georgia and at Georgetown University. Mr. Jackson graduated from the University of Houston with a B.A. and received a Ph.D. with distinction from the Government Department at Georgetown University in 1985.

## ***Preamble of the Coast Guard Enlisted Association***

Always Remember:

- As enlisted members, we must uphold the highest standards and respect the traditions of the United States Coast Guard.
- Our past mentors, leaders and the foundation they left for us to follow,
- To hold ourselves and others accountable to the duties and responsibilities of our country, service, and communities,
- To give encouragement to the future members & leaders of the Coast Guard,
- To personally support and stand-by our fellow enlisted members, and their families in their endeavors of joy and hardships,
- To be forever appreciative for the support and guidance of the USCG Chief Petty Officers Association.

## ***Preamble of the Chief Petty Officers Association Auxiliary***

Remembering God:

That our aim is to assist our Chiefs in their endeavors with understanding, kindness, strength, and love.

We will always remember and uphold the goals and standards of the United States Coast Guard, the Chief Petty Officers Association, and the Chief Petty Officers Association Auxiliary.

We ask God that we are always able to carry out our duties to the Coast Guard, to the Chiefs, to the Auxiliary, and to Community in a manner that reflects Your love for all.

Remember also those who served and returned to You.

## ***History of the CPOAA***

The National Board of Directors and the National Council of the United States Coast Guard Chief Petty Officers Association assembled at the Sixth Annual Convention in St. Louis, Missouri on 10 October 1974 and authorized establishment of a CPOA Auxiliary Unit for each Chartered Chapter of the Association. The Charter was presented on 14 October 1974.

The CPOAA delegates assembled at the Ninth Annual CPOA Convention in Baltimore, Maryland on 10 August 1977 and elected the Pro-Tem Officers for the Auxiliary. The Pro-Tem Officers were Jean Schott - President, Joyce Ford - Vice-President, Yvonne Smith - Secretary.

The first National Meeting was held on 14 August 1978 in Oklahoma City, Oklahoma. The meeting was held for the purpose of appointing committees and the installation of the newly elected National Officers. Six of the eight established Units were in attendance. The newly elected officers were installed with the elected CPOA Officers on 17 August 1978. The first elected officers were Jean Schott - President, Joyce Ford - Vice-President, Yvonne Smith - Secretary and Jessie Gypp - Treasurer.

The first session of the CPOA Auxiliary Convention was held on 13 August 1979 in Mobile, Alabama. The National CPOA Auxiliary By-Laws and Standing Rules were accepted by the Board of Directors and submitted to the CPOA National Council for approval.

On 15 August 1991, the Auxiliary established a National Education Award to benefit its members and the spouses of the Chief Petty Officers Association. The funds for this award are raised by the National Sweepstakes run by the Auxiliary each year. The Auxiliary currently has about 250 members and 8 active Units. From its humble beginning in 1974, the Auxiliary has continued to grow with the goal to carry on the drive and vision of the first members and to improve and insure the future of the Auxiliary. We look forward to the future and continued success of the Auxiliary.

End of ceremony

# St. Louis Gateway Arch

The St. Louis Gateway Arch is an elegant monument to westward expansion in the USA. Located on the banks of the Mississippi River in St. Louis, Missouri, the 630-foot tall stainless steel arch rises above the city skyline. The Jefferson National Expansion Memorial consists of the Gateway Arch, the Museum of Westward Expansion, and St. Louis' Old Courthouse.

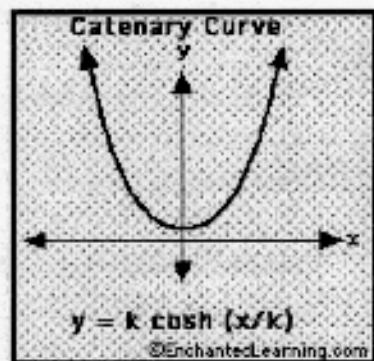

**How the design was chosen:** There was a nationwide competition in 1947-1948 to design a monument in St. Louis honoring western pioneers. The architect Eero Saarinen (August 20, 1910 - September 1, 1961) won the contest with his sleek arch.

**Construction:** Construction of the arch began on February 12, 1963, and was finished on October 28, 1965. It was opened to the public on July 24, 1967 (after one of the trams was completed). It cost about 13 million dollars to build. The two bases are equilateral triangles (triangles with three 54 foot-long sides). At the top of the arch, the triangle is only 17 feet long on each side. Visitors enter the arch from an underground visitors center and can travel to the observation deck at the top in a 40-passenger tram that runs inside the arch.

The arch has 60-foot deep foundations. The arch is very stable and was built to withstand high winds and earthquakes. The structure sways about one inch in a 20 mph wind; it is designed to sway up to 18 inches in 150 mile per hour winds.

**The Arch:** The St. Louis Gateway Arch is in the form of an inverted catenary, which is a very stable structure that is often used in bridges, domes, and arches.

A catenary is the shape that a chain or necklace forms when held by the two ends. The Dutch mathematician Christiaan Huygens named this curve from the Latin word *catenarius*, which means "related to a chain."

The equation for a catenary curve is:  $y = k \cosh(x/k)$ , where  $\cosh$  is the hyperbolic cosine [ $\cosh(x) = (e^x + e^{-x})/2$ ] and  $k$  is the y-intercept (where the curve hits the y-axis).

## Facts and Figures about the St. Louis Gateway Arch:

<b>Height</b>	630 feet
<b>Width at the base</b>	630 feet
<b>Weight</b>	43,000 tons
<b>Exterior composition</b>	Stainless steel
<b>When it was built</b>	February 12, 1963 -October 28, 1965
<b>Depth of the foundation</b>	60 feet
<b>Architect</b>	Eero Saarinen
<b>Structural Engineer</b>	Fred Severud
<b>Location</b>	In the Jefferson National Expansion Memorial, 11 North Fourth Street, St. Louis, Missouri, on the banks of the Mississippi River
<b>Time it takes to travel in the tram to the observation deck at the top of the arch</b>	About 4 minutes (it travels at a rate of 240 feet per minute)
<b>Number of steps in each leg of the arch (the stairs are used only for maintenance and emergencies)</b>	1,076

USCG CPOA/CGEA/CPOAA  
National Convention 2005  
St. Louis, Missouri

The National Officers of the CPOAA would like to welcome you to our 27th Annual Convention. We would like to invite all CPOA spouses and dependants (over the age of 18) to join us at our meetings for discussions, to offer ideas, give opinions, etc. We are always happy to receive fresh input to help us grow and better support our CPOA.

We hope everyone has a good time and fond memories in St. Louis 2005.

## United States Coast Guard Chief Petty Officer Charge

*During the course of this day you have been caused to suffer indignities, to experience humiliation. This you have accomplished with rare good grace, and therefore, we now believe it fitting to explain to you why this was done. There was no desire to insult you, or to demean you. Pointless as it may have seemed to you, there was a valid, time-honored reason behind every pointed barb.*

*By experience, by performance and by testing, you have been advanced to Chief Petty Officer. You have one more hurdle to overcome. In the United States Coast Guard, E-7 carries unique responsibilities. No other armed force throughout the world carries the responsibilities nor grants the privileges to its enlisted personnel comparable to the privileges and responsibilities you are now bound to receive and are expected to fulfill.*

*Your entire way of life has now been changed. More will be expected of you, more will be demanded of you. Not because you are an E-7, but because you are now a Chief Petty Officer. You have not merely been promoted one pay grade, you have joined the Chiefs' Mess, and as in all exclusive groups, you have a special responsibility to your brothers and sisters, even as they have a special responsibility to you.*

*These privileges, these responsibilities, do not appear in print. They have no official standing, they cannot be referred to by name, number or file. They exist because since 1920, Coast Guard Chiefs before you have freely accepted responsibility beyond the call of printed assignment. Their actions and their performance demanded the respect of their seniors as well as their juniors. It is now required that you be the fount of wisdom, the ambassador of good will, the authority in personnel relations, as well as technical applications. "Ask the Chief" is a household word in and out of the Coast Guard. You are now "The Chief."*

*The exalted position you have now received, and I used the word "exalted" advisedly, exists because of the attitude, and the performance of the Chiefs before you. It shall continue to exist only so long as you and your fellow chiefs maintain these standards.*

*So this then is why you were caused to experience these things. You were subjected to humiliation to prove to you that humility is a good, a great, and necessary emotion, which cannot harm you, which in fact strengthens you. In the future, you will be caused to suffer indignities, to experience humiliation far beyond those imposed upon you today. Bear them with the dignity, with the same good grace with which you bore these today.*

*It is our intention that you will never forget this day. It is our intention to test you, to try you, to accept you. Your performance has assured us that you will wear your hat with the pride that brothers and sisters in arms have before you.*

*We take a deep sincere pleasure in clasping your hand and accepting you into our midst.*

“She may

never serve, but she can be a USAA member.”

**You're eligible and so is your family.**

No other company understands the needs of military personnel and their families like USAA. If you're on active duty or in the National Guard or Reserves, you're eligible for the same great auto insurance and other financial services now enjoyed by more than four million USAA members. And when you join USAA your family can, too.

USAA even has special programs for your children. We can help you with the purchase of car seats. USAA has a special youth-oriented savings and investment program that will help you teach your

children about money management. And we have a variety of insurance and investment programs to help protect your family's financial future. It's important to look ahead, so if you don't have a sound financial plan, you can log on to [usaa.com](http://usaa.com) and complete our free Financial Profile. It's a great way to get started.

Remember, because you serve, USAA can serve her, too.
